

## **Beaufort Visitor/Temporary Members Induction Check List**

1. To read the aerodrome visitors' boards to familiarize themselves with the airfield layout, located at the airfield entrance gates one just west of the clubhouse and the other at the North gate.
2. To follow the perimeter road (gravel) at all times. They are to stop and look and not to cross runway ends if aircraft are approaching to land.
3. Park behind the launch area next to the fence.
4. Make themselves known to a club member.
5. Be aware of aircraft landing and taking off.
6. Not to drive across runways or enter runways on foot unless accompanied by a club member. Advise that they will not be able to hear a glider landing.
7. Not permitted to smoke on the airfield due to the high risk of grass fires.
8. Animals must be on lead on all times and prevented from entering runways.

**David Cleland** Club Safety Officer, April 2014
